GC Spotlight

This month's spotlight is on our Clean Up Crew that were working non stop day and night to help tidy up our town from the Ice storm. Our City guys Cody Rogers and Dillon Brundige, our Mayor Lowell Johnson and volunteers Jay and Byron Naeve. They went above and beyond from picking up sticks to cutting up the largest trees that had fallen and blocked roads or driveways. It takes a team effort to get the job done and boy did they do it without flaw. The hard work and dedication of these men truly show they care. Many residents would not have been able to cut up and haul the large branches themselves and these guys made our town look beautiful again. ~THANK YOU FROM THE BOTTOM OF OUR HEARTS!
