BUDGETS:

Just a reminder that Customer Budgets on their City Bill will change at the end of this month. Watch for new amounts due in July. We are now only changing the budget 1 time per year in June. If you would like to be added or removed from Budget Billing contact City Hall.

City Ordinances & Nuisances

The City of Gilmore City has established rules and laws for the safety of the overall public within city limits. These rules and laws are known as City Ordinances. A complete book of the City of Gilmore City Ordinances are available at City Hall. Now that spring/summer are finally here, a reminder of some of these Ordinances is important.

1. Height of Grass Restricted:
No persons will allow the grass on their property to grow higher than 8 inches. Failure to cut grass before this happens will result in the City mowing it at a rate of \$50/hr.

A letter will be sent as a one time warning.

2. Animal Control: The owner of any animal will not allow said animal to run at-large within the limits of the city. This means keep them behind fences on the owners property, or on a leash at all times.

Animals caught and impounded will incur fines/fees especially if no city dog tags. Dog Tags must be purchased every year by end of Feb and only cost \$2.00. If caught w/o tags will cost \$22.00 plus impounding.

3. Junk: It is unlawful for any person to store, accumulate, or allow to remain on private property within the corporate limits of the City any junk such as old or scrap metals, old or discarded rope, rags, batteries, paper, trash, rubber, debris, waste, machinery, appliances or parts, etc.

4. Junk Vehicles: Vehicles which are considered junk,

i.e. Having broken windows, wind-shield, headlights, tail lights, broken or loose missing parts, has become a habitat for nuisance animals and/or insects, is rendered inoperable or is in defective or obsolete condition will not be stored or accumulated on property inside city limits. Mere licensing of such vehicle does not protect it from being considered junk.

Hometown Pride

June 2022

Is everyone as tired of the wind as we are?!? It's hard to accomplish anything outside with the gusts we've been having. It's finally warmed up though, and it's so exciting to see when a plan starts to come to fruition: The Gilmore City Farmer's Market will take place in Sunset Park this month so come on out to show your support and check out the Rain Garden at the same time. Parking will be on the west side of the park by the north Quonset. Still looking for more vendors, so spread the word.

It's such a privilege to be able to say a great big Thank You to the Pocahontas Co-op for their very generous contribution to the GC Garden Club. To be such a small community, we sure are blessed

with our corporate sponsors who come through for us every time! I've just been made aware that both Pro Co-op and New Co-op have accounts with the Pocahontas County Projects Fund so that farmers can designate bushels to our GC Project Fund and get a tax break in the process. Who knew?

We're honored to welcome Deb Lanus to our team and hope that more of our community members will be brave enough (or curious enough) to come join us as well. We need input from some of our younger citizens for the Walking Trail and Outdoor Arena and always appreciate ideas and suggestions from the whole community. Please email us at: gcprojectsfund@gmail.com or contact a committee member: Angie Peters, Judy Marchant, Lavonne Hoover, Russ Naeve, Deb Lanus, Angie Kritzer Thank you so much for your support!
