City Hall News

Well 2022 has sure flown by and here we are in the last month of the year. Even though winter is not until December 21st, Mother Nature sure has tried starting it earlier. The Farmers Almanac Long Range Forecast is predicting lots of snow before Christmas but I hope it is not as much as Buffalo NY got! Christmas isn't the same around here without the ground being white for the holidays. I know my kids love going sledding! When their faces get beet red and your telling them it's time to come in boy do I get the look! I hope everyone has a blessed Christmas with their loved ones and best wishes for the New Year!

**CITY HALL/LIBRARY will be closed on the following dates: DEC. 23; DEC 26; DEC 30; & JAN 2**

CITY SNOW ORDINANCE

No person shall park, abandon or leave unattended any vehicle on any public street, alley, or City -owned off-street parking area during the hours of 3

am to 7 am from November 1 to April 1. Ordinance 135.12 & 136.03 A snow emergency parking ban may be proclaimed by the Mayor in the instance of a snow or ice storm through the duration of the storm and for the 48 hour period following such storm. During a snow emergency no person shall park, abandon, or leave unattended any vehicle on any public street, alley, or City-owned off street parking area unless the snow has been removed or plowed from said street, alley, or parking area and the snow has ceased to fall. Also, it is unlawful for any person to throw, push, or place or cause to be thrown, pushed or placed, any ice or snow from private property, sidewalks, or driveways onto the street or alley so as to obstruct gutters, or upon the street or alley creating a hazardous condition therein.

Winter Moratorium

Winter Moratorium is the time from November 1 to April 1 in which a utility which provides the heat source for your residence, may not disrupt heat service, AS LONG AS you are on some type of heating assistance through the government (UDMO). Winter Moratorium only protects your heat source from being interrupted. Utilities, such as

the City of Gilmore City, can disconnect Water service for non -payment of services once proper notification is made. If you are needing heat assistance please contact your county UDMO office.

Payment Agreements & Charges

Reminder: If you are on a payment agreement, bills are due the 25th of each month and you forfeit the extra 12 days. If 25th falls on the weekend it must be in our office by the Monday following. If payment agreement plus bill goes unpaid a 24 hour notice will be hung and bill will need to be paid within that 24 hrs. or water will be shut off. We can then make the individual pay the whole amount due since the contract was broken. If water is shut off a charge of \$25 will be issued to resume service.

Hometown Pride

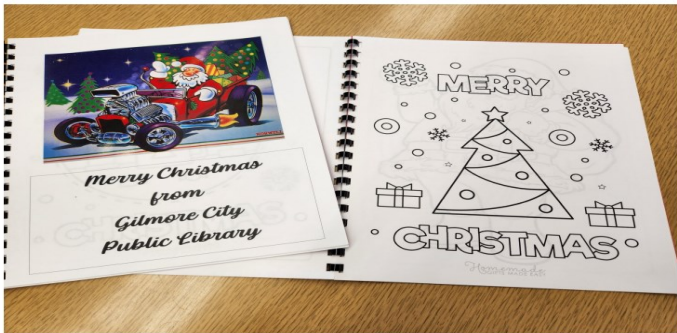

December 2022

Hallelujah! The second phase of our 6' wide sidewalk in Sunset Park was completed last month. A big shout out to Russ Naeve, Gronbach Construction, and all who helped them for making it happen before Old Man Winter got here. We have received a quote to continue the sidewalk all the way to the Rain Garden which will be our starting point for the Walking Trail that's in the works. Thank you to everyone who participated in the Trail Survey. We want to include as many citizens as possible in the planning process because these projects are for your benefit, and we appreciate your input. We love it when neighbors drop by a meeting to offer ideas so don't be afraid to approach us.

I'd also like to thank Richard & Connie Benjamin and Pat Cirks for their fall contributions to the new flowerpots. They were very festive and everyone enjoyed them. Hometown Pride is grateful for the support of our community and friends. If you need a tax write-off here at the end of the year, please keep us in mind. Have a Merry Christmas everyone!
