CITY HALL NEWS

LAST CHANCE DOG LICENSES

Every dog within City Limits is required to have a City issued Dog License. Through the month of February dog licenses are available for \$2 each. At the start of March licenses will be \$22. Dogs caught not licensed will be turned into the County Animal Control which will incur extra fees.

ANNUAL EASTER EGG HUNT

The 2023 Annual Gilmore City Easter Egg Hunt will be April 8th. This event is held at the GC-B School Ball Diamonds (East side of school). As everyone knows we couldn't put this on without the generous donations from the community. Any and all donations are greatly appreciated. Monetary donations are needed for supplies and prizes as well. I am looking to change the time so that we don't get extra guests, so if everyone can let me know if 9:30 works instead of the usual 10:30 that way it is the same time as Humboldt's and we don't get twice the amount of kids we weren't planning for. Watch for updates on Facebook. Also if anyone would like to help with this event reach out. Thank you!

Winter Moratorium

Winter Moratorium is the time from November 1 to April 1 in which a utility which provides the heat source for your residence, may not disrupt heat service, AS LONG AS you are on some type of heating assistance through the government (UDMO). Winter Moratorium only protects your heat source from being interrupted. Utilities, such as the City of Gilmore City, can disconnect Water service for non-payment of services once proper notification is made. If you are needing heat assistance please contact your county UDMO office.

PS: Project Share

Project Share is a plan, created by your municipal utility, to assist needy households in paying their wintertime energy bills. You can help by adding a regular PS contribution to your monthly utility payment, or by making a direct donation to Project Share. These funds will then be distributed to neighbors in need for wintertime energy costs. Contact City Hall OR call your county UDMO office today! Contributions are tax deductible!

LION'S CLUB

The Lion's Club is always looking for donations of Glasses and Hearing Aid's. If you have any you are willing to part with please drop off in the lobby at City Hall. We also have donation boxes for Flags, Cellphones, and ink cartridges. Thank you!

PS Add A "PS"
To Help A Neighbor

Project Share is a plan, created by your municipal utility, to assist needy households in paying their wintertime energy bills.

You can help by adding a regular *PS* contribution to your monthly utility payment, or by making a direct donation to Project Share. These funds will then be distributed to neighbors in need for wintertime energy costs.

Those qualifying for help will be carefully identified by an area social service agency. A local committee will oversee Project Share to guarantee all contributions will be handled equitably and efficiently.

So please, add a *PS* — Project Share — to your utility payment each month. It's a simple way to share some warmth with those who need it.

We are looking forward to a break in the weather so that we can jump back into continuing our work at Sunset Park. The next phase of extending the sidewalk over to the Rain Garden is first on the list. At the same time, we're coordinating with Wempen's Garden Center to start work on the Outdoor Pavilion and are very excited to see the groundwork being laid for that. Don't forget that we still rely on donations to see these projects come to fruition and you can designate them as memorial, honorary, or even for Valentine's Day. If interested in donating or joining the committee for meetings, please reach out to a member or email us at: GCProjectsfund@gmail.com
