City elections in Iowa are held in odd-numbered years. City elections for 2023 will be held on November 7th.

The City of Gilmore City has three City official openings up for election this year; two Council seats which are 4 year terms and one seat for a 2 year term.

To hold office in a city, a candidate must be an eligible elector. To be an eligible elector, the candidate must meet the same qualifications required to vote and be a resident of the city he or she plans to serve.

The method for placing a name on the ballot for the Gilmore City election is Nomination by Petition. This means that candidates collect signatures on nomination petitions to get their names on the ballot at the regular city election. City candidates file with the City Clerk as designated by the county auditor. In Gilmore City, the number of signatures needed to file are at least ten, but more are suggested in case of a challenge. In

addition to Nomination Petitions, an Affidavit of Candidacy must be completed and submitted to the City Clerk. This affidavit is a written form that includes the office being sought and the candidate's signature witnessed by a notary public. The candidate also needs to state that he or she is an eligible elector.

Nomination and Affidavit of Candidacy papers can be picked up at the City Clerk's office or online at the Secretary of State's website at <https://sos.iowa.gov/elections/electioninfo/cityelections.html>

Nomination papers can be circulated anytime between now and the filing deadline. Candidate filing begins Monday, August 28th and ends on Thursday, September 21st at 5pm. City Hall will remain open until 5 pm on Thursday. We are still in need of signatures for our petition on the Poky side to do satellite voting before the election. If you haven't signed the petition yet please call or stop at City Hall to sign so we can get turned in and make it easier for the Poky residents to vote in town.

Hometown Pride

We have some very exciting news to share with you! PVS Chemicals, the parent company of Chantland in Humboldt, has made a very generous donation of \$2,500 to the Gilmore City Hometown Pride Committee. Because we're such a small group, we don't have many opportunities to fund raise efficiently so this is quite a gift. As I've said before, most of the grants we receive require us to match the amounts awarded with 50% of the funds needed. Having big corporations take an interest in what Gilmore City is accomplishing is a huge compliment. The Rain Garden, 6' wide sidewalk working towards our Trail Head, planned Outdoor Pavilion and Shelter House: they're all important and we will continue to welcome the support of all of our donors, both corporate and citizens. Please reach out to a member if you'd like to join us or donate: [GCProjectsfund@gmail.com](mailto:GCProjectsfund@gmail.com). Thank you & keep those cards and letters coming!
