Election Petition

We had a great turnout for our last Satellite Election in 2023. We have been told everyone on the Poky side would like to keep doing this so no one has to go out of town to vote. In order to do this we need 100 signatures from Poky Co residents in order to have them come. We are planning to do this for the Primary in June and the General Election in November. Both elections we need 100 signatures from people in town but the date of the election will be held at least 1 week before the actual election and anyone in Pocahontas County City or County can come to town to vote! Stop into City Hall or the GC Library to sign the Petition. Thank You!

Hometown Pride

March 2024

GC Hometown Pride received a generous boost with a grant check from Pocahontas County Community Foundation for \$9,700 earmarked for the construction of a concrete pad for the planned Picnic Shelter at Sunset Park. This infusion of funds not only underscores the community's commitment to enhancing recreational spaces, but also reflects a shared sense of pride in the town's public amenities. The addition of a covered shelter will provide residents with a versatile outdoor space for various activities, fostering an even stronger sense of community.
