## TextMyGov Announcement

The City of Gilmore City is excited to launch TextMyGov, a new, smart text messaging service! Residents can receive important notifications from the city on important issues.

Gilmore City will officially launch the new text messaging system to the public on **12/09/24**. Residents may receive a text message from **91896** from Gilmore City initiating the service. You can choose to opt out at any time by texting **STOP**.

If you don't receive the initial message, you can choose to opt-in by texting the keyword **"GILMORECITY"** to the number **91896**. After sending the initial keyword, you will be asked to reply **"YES"** to confirm opt-in. Residents may receive notifications for **events, weather, utility notices, outages, and much more**.

Gilmore City's use of this technology is another example of how our community is enhancing resident services by implementing 21<sup>st</sup>-century solutions. We're excited about this new way of communicating with residents and look forward to sharing important city notifications. Other governmental entities across the country are utilizing this system with great success. Stay informed, stay ahead.

Sincerely,

*Melissa Ubben*

City Clerk
