CITY NEWS

BUDGETS:

Just a reminder that Customers on Budget Billing could change at the end of this month. Watch for possible new amounts due in July. Due to us having a normal winter the amount will most likely be higher than they were, so if they are extremely high I will call and confirm with you. We are now only changing the budget 1 time per year in June. If you would like to be added or removed from Budget Billing contact City Hall. If you are on budget please pay the same exact amount each month otherwise this messes with your budget amount. Thank you~

CITY DUMPSITE:

Don't forget to stop at City Hall to get a key to the City Landfill. This has to be locked at all times until we feel that there will be no more vandalism. Remember only Natural products can get burned, trees, leaves, plants, branches. No construction materials or garbage. There is also a spot for block or concrete, you may take or discard. If you are looking for some black dirt to fill holes, there is a pile of that there too for you to take and use.

WATER METERS

If you are in need of watering a garden or filling a pool please inquire about a subtract meter from City Hall. This will not charge you for sewer only water.

Friendly Reminder:

Please do not shoot out grass clippings into the streets. Grass clippings clog the storm drains and cause flooding, not to mention it is very dangerous to Motorcycles and kids on bicycles. Also NO Burning of leaves or grass in the street or curb!

THANK YOU!

A big THANK YOU to all who helped with flags and the Memorial Day Program. Thanks to Missy and Shawn, Mary and Bruce, All at City Hall, the school and Beau, and all the American Legion Auxiliary.

Hometown Pride

June 2025

Every year, Keep Iowa Beautiful, in conjunction with Paint Iowa Beautiful and Diamond Vogel coordinates a grant to help communities enhance beautification in the way of painting projects. Hometown Pride submitted an application for paint for the interior of our beloved Café and we were awarded our request! We would like to help the Café committee members spruce up the interior and hopefully find new tenants to lease the building. Once the paint has been purchased, there will be opportunities for volunteers to help paint so keep an eye out for the chance to help! If you're not able to paint, there are other ways to contribute: gas money to go to Spencer to pick up the paint, prepare a meal for the volunteers, etc. Let's pull together and make this happen! Thank you so much for your support.
