NATURAL GAS SURVEY:

It's that time of year again where we ask you to take our yearly survey about Natural Gas. In with your utility bill this month is 5 different sheets about Natural Gas for your review. The survey will begin towards the end of July and the phone number will be City Hall's Phone # 515-373-6326. They will ask a series of questions about if you have Natural Gas, who your provider is, have you received info about natural gas, would you light a match if you smelled natural gas, etc. Answering these questions correctly is very important as it reflects on our Audit with the Iowa Utilities Board. Natural Gas should always be taken seriously. This year there will be a new option to complete the survey via an online website. Look for more information in the coming weeks.
