## CITY OF ROLFE DIGGING/CEMENT PERMIT

The undersigned hereby makes application for a permit to dig on the following described property.

Applicant's Name
Location of Excavation
Purpose of Excavation
Date Work Begging & Ending
Have you notified Iowa One Call(yes)(no)
If not, call 1-800-2982-8989 (811) at least 48 hours prior to digging
Please read carefully: The City of Rolfe's Ordinance regarding the excavation and maintenance policy is attached. By signing this permit application, it is an indication that you have read and agree to comply with the excavation and maintenance procedures. The applicant will be responsible for the repairing of the street in the appropriate manner. The City of Rolfe requires an asphalt patch on all projects unless the original material removed was a concrete street, then a concrete street shall be required.
