

MOWING ORDINANCE

City of Rolfe

Mowing is required once the grass and/or weeds reach a height of more than 6 inches during the months of May, June, July, August, September, and October of each year.

NO mowing grass into the street.

Any property which is not mowed will be mowed by the City and property owner will be charged \$125 for each time.

Annual spring publication of this shall serve as notice to property owners to have the vegetation cut so that the height conforms.

No additional written notice will be given.
